1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a current Blue Granite water company customer.

I currently utilize Blue Granite water companies Waste Water collection or SEWER as they are the only available option for this neighborhood.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a conscientious consumer of water. I understand it is a limited resource and limit my households use of water. I do not believe it is morally correct for a company to be able to raise my rates 55% but still charge a FLAT RATE, not considering how much water each household uses. If a rate increase is necessary I propose metered sewer connections or, as this is fiscally inadvisable, at the least Blue granite water company should communicate with the company providing water services (CPW in this instance) to determine the amount of water each household uses and charge accordingly.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
